

Let's Make a Band!

Written by Rachel Leach

Olivia started creeping 'round the house
Olivia never quiet as a mouse
Olivia stole the braces from her dad,
A drum from her brother and a toy from the cat
and then the noises started

Instrumental
Ting Whistle Ting Tang
Plink Plank Plunk
Thump-ty, thump-ty, thump-ty, thump
Sssh Clang

Let's make a band, And play it loud
Let's bang and crash and thump and please the crowd.
Let's gather drums and violins and xylophones and tins
And shakers, flutes and tubes and pipes and even Mum's tights!

Let's make a band, And march around
Let's ding and tinkle, bang and thump
and clang and crash and boom and bump and make...
A marvellous sound
